Tonic Medicine.

(This Invention received Provisional Protection only.)

PROVISIONAL SPECIFICATION left by Henry Wikoff at the Office of the Commissioners of Patents, with his Petition, on the 11th September 1858.—A communication.

I, HENRY WIKOFF, of Holly Lodge, Kensington Gore, in the County of
5 Middlesex, Esquire, do hereby declare the nature of the said Invention for
“A NEW TONIC MEDICINE FOR THE CURE OF COUGHS AND DISEASES OF THE CHEST,”
(a communication,) to be as follows:—

This Invention consists in extracting the sap from the maritime pine, and
administering it as a tonic medicine in given quantities, either in its natural
10 state or when clarified, or after being made into a syrup, for the purpose of
giving a good tone to the stomach, and is more particularly successful in the
cure of coughs, asthma, consumption, and other diseases of the chest, and
affections of the aerial and digestive organs, as well as dyssentry and com-
plaints of the genital and urinary organs.
